THE

QUARTERLY

ARMY LIST

JULY, 1943

*Corrected to 22nd June, 1943*

### NOTICES

Under the provisions of the Army Act, 1881, Section 163 (1) (d), this Army List is evidence of the status and rank of the Officers mentioned in it.

The badges, &c., borne on Regimental Colours are shown after the titles of Regiments, the "centre" badge being printed in heavy type. In the case of Regiments and Corps which do not carry Standards, Guidons or Colours, the badges, &c., shown after their titles are borne on their Clothing or Appointments.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Where two dates are shown against the name of an officer without explanation, the first denotes seniority in Regiment or Corps or is the most recent date of appointment to the Regiment or Corps, and the second denotes present Army seniority. Where three dates are shown, the second is the date of substantive appointment to present rank, and the third denotes present Army seniority.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists.

Communications from Officers of the Supplementary Reserve, Militia, and Territorial Army or holding temporary or Emergency Commissions regarding the entry in this List (a) of letters denoting military qualifications and (b) of the symbol  $\times$  denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors or omissions should be addressed direct as follows:—

# REGULAR ARMY RESERVE OF OFFICERS.

## a. GENERAL LIST.

### b. REGIMENTAL LIST.

The attention of Reserve Officers is particularly directed to the following Regulation:—

A Regular Army Reserve Officer shall report himself at the commencement of each year, in writing to the Under-Secretary of State, The War Office. Should he fail to do so he will (unless he is an officer in receipt of retired pay) at the end of the year in which he fails to report himself, be transferred to Class III, but his liability for service will remain unaffected by such transfer. In the event of continued failure to report, an officer (unless he has retired from the Regular Forces, with liability for further service in case of emergency) may at the discretion of the Army Council be removed from the Regular Army Reserve of Officers.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year, and any subsequent change of address should be at once notified to The War Office.

Reserve Officers accepting service under any Government Department, County, Borough or Municipal Authority, should notify the fact to the Under-Secretary of State, The War Office, as soon as possible.

Reserve Officers re-employed during the existing emergency will take rank and precedence (with officers of the Regular Army) as though their rank, substantive or brevet, bore date 24th August, 1939 (Army Order 184 of 1939) except in cases where the date of their rank, substantive or brevet, is subsequent to this date.

Note.— Officers marked § are voluntarily in the Regular Army Reserve of Officers.

The ranks and dates shown throughout are those referring to Substantive Rank: where two dates are shown, the second is that of Army Rank.
